No. C-5-3

SIR,

Subject:- Acquisition of 12 guntas of land out of S.No.122 of Sivayogirura village, Madihalli Hobli, Belur Taluk, for village extension.-

....

I have the honor to forward herewith, the records relating to the above subject and ending with the Saklespur Sub Division Officer's Memo No.C2.C.863-30 dated 23rd June 1933 and to state as follows:-

2. One Basaviah of Halthore village retitioned to the Amildar on 22nd March 1928 stating that permission was granted to him by the Amildar on 25th January 1926 for the construction of a shed by the Amildar on S.No.122 of Sivayogirura village, for keeping agricultural implements, that as he now intends to live in Sivayogirura in that shed, permission may be granted to him for doing so, and that the extent built upon may be added on to the gavatana.

S.No.122 is in the khatha of Patel Marigowda, who, in his statement before the Revenue Inspector states that he has sold 12 guntas out of S.No.122 to Basaviah, that this extent may be added on to the gavatana and that he has no takarars to proffer.

Basaviah in his statement states that he purchased this extent of 12 guntas from the khatedar for Rs.50/- that the extent

tendency on the part of the ryots to fall into apathy on the one hand and a factious spirit on the other, but these, I am persuaded to believe, I may perhaps be able to successfully overcome by such counsel and exhortations as I might give in my earnest interest in the success of the measure.

With this object and none other in view I have ventured once again to approach Government for leave to serve in my own villages, for which I may graciously be invested at least with the powers of an Amildar under the Village Panchayat Regulation under proviso to sections 45 & 49, Cls: a, b, & c, in order that I might serve in the best interests of the marginally noted 15 Inam villages comprised in 6 taluks which are under my possession and enjoyment.

When Inamdars that choose to interest themselves in furthering the cause of rural reconstruction will have justified the investment of powers permissable under the present statue, it may in fulness of time be open to them to pray for higher powers being extended to them under the amended Regulation.

I have the honor to be,

Dear Sir,

Your most obedient servant,

Inamdar.

In acknowledging the receipt of correspondence ending with your Office letter No.L.2284/V.P.57-32-5 dated 4th Octr 1933 regarding my proposals for what was truly deemed to be more efficient management of the Village Panchayat in my Inam Villages, I have the honor to state that I since reconsidered the whole question in the light of the existing law on the subject, and am grateful to Government for their kind and sympathatic response to my offer of disinterested services in promoting the cause of rural reconstruction, at any rate, in those villages in which I am interested as Inamdar.

Being convinced that the village panchayat regulation may, from its earnestness of purpose, its liberal views and farseeing statesmanship, will be regarded as marking a new Era in the village administration, I thought I might as well indicate my appreciation of the benign policy of Government by offering to serve the institution in my limited sphere, - especially in view of the fact that so soon after the advent of the new epoch the growing indifference of the ordinary ryots towards the panchayat has gradually been tending to leave the administration in inferior or corrupt hands.

The crying evil which would require to be guarded against in the working of the village institution is a tendency

may be included to the gavtana and that he demands no compensation.

It is reported that he has paid 25 years' assessment with cesses amounting Rs. 15-6-2.

The villagers have drawn up a mahazar on 6th March 1929 stating that 25 years' assessment with cesses have been recovered from Basaviah and that the villagers do not require any site for building purposes. The land has been estimated by the Shanbhog at Rs 150/- per acre.

The Village Panchayet have also resolved that there are no vacant sites in the village and that the extent of 12 guntas may be acquired.

As the S.No.8 in the hiduvali of Marigowda it is necessary to take acquisition proceedings in order to get an indefesiable title to the land.

In these circumstances, I request that you will be so good as to cause the preliminary notification published in the Mysore Gazette and the supply of 10 spare copies thereof to me for giving wide publication to the proposed acquisition."

Preliminary notifications in duplicate both in English and Kannada have been signed and enclosed.
